CVC Connect 4 Game:

How to Play:

1. Player 1 chooses a word, reads it out loud, then colors that box with their color.
2. Player 2 chooses a word, reads it out loud, then colors that box with a different color.
3. Players take turns reading and coloring until all boxes are filled.

Goal:

Try to get as many sets of 4 in a row as you can — across, up and down, or diagonally — while blocking your partner from getting 4 in a row!

Roll & Read with Blends:

This is a single player game.

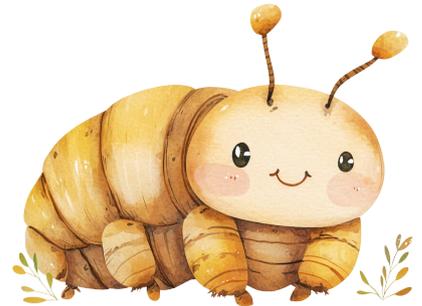

Roll the dice.

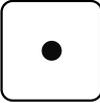

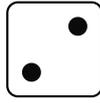

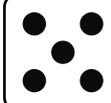

Match the number you roll to the corresponding row.

Read the word. Color or mark the box with an "x".

Roll again and repeat.

See which row "wins" by getting all the spots read first.
